Oh good (on the timing)! I was supposed to attached the permit to my email! I must have been a little too eager to move on! I have attached it now.

Good timing!

I was just diving into this.

Could you please provide me with a copy of the draft (or let me know where to find it)?

Thanks.

Subject: Class III permit ready for your input

Hi Rick,

I have finally made all the edits to the Class III permit (I hope) to make it ready for the insertion of the requirements for the Conceptual Site Model and the geochemical model. Those requirements will be included under PART IV. REQUIREMENTS FOR DEVELOPMENT OF A CONCEPTUAL SITE MODEL AND A GEOCHEMICAL/REACTIVE TRANSPORT MODEL beginning on page 24.

I am going to start on the Fact Sheet next.

I am working at home Monday through Wednesday this week, so please email me if it would be helpful to talk about any of this.

Thanks!

Valois
